[Download Tuneup Utilities 2014 Full Crack Gratis](#)

The screenshot displays the TuneUp Utilities 2012 application window. The title bar includes the application name and window controls. The main interface is divided into several sections:

- Navigation Bar:** Contains buttons for "Status & recommendations", "Optimize system", "Gain disk space", "Fix problems", "Customize Windows", and "Overview of all functions".
- Maintain system:** Shows a green checkmark icon and the status "- Automatic -". A button labeled "Start 1-Click Maintenance" is present. Below it, text states: "Your computer will be maintained every 3 usage days when in idle mode."
- Increase performance:** Shows a yellow warning icon and the status "- Attention -". A button labeled "Create profile" is present. Below it, text states: "Fill out the PC usage profile to receive optimization recommendations."
- Fix problems:** Shows a green checkmark icon and the status "- Optimized -". A button labeled "Show details" is present. Below it, text states: "No problems were found."
- System protection:** Shows a red lifebuoy icon and the status "- Enabled -". A button labeled "Undo changes" is present. Below it, text states: "14 of 14 TuneUp Utilities modules are protected."
- PC optimization mode:** Features three modes: "Economy", "Standard", and "Turbo". "Economy" and "Turbo" are currently "Not configured".
- Optimization Status:** Includes a progress bar showing "60% optimization progress achieved". It also lists "Completed optimizations" (All problems that may have been affecting system health have been processed.) and "Unused potential" (Please complete the profile to receive customized optimization recommendations.).
